

## Movement of Destiny

1<sup>st</sup> Verse:

Soldiers, it's time to rise

Sons and daughters, lift up your eyes.

Angels await to unite with the ones

In who's life God's word is proved

In a world that disregards His law

God will raise the truth.

Chorus:

Repair the breach (Girls)

Raise the foundation (Guys)

Rebuild the streets (Girls)

In this generation (Guys)

Where the dark now prevails we will shine forth His glory (Together)

Seek the lost (Girls)

'Till true sons and daughters (Guys)

Unite Eternally (Together)

In this Movement of Destiny

2<sup>nd</sup> Verse:

Servants, of the Most High

The Lord has sent you, the harvest is white

Now is the time to awake out of sleep

For the night is far long spent

Let us stand for the right though the heavens may fall

Boldly truth defend

Chorus:

Repair the breach (Girls)

Raise the foundation (Guys)

Rebuild the streets (Girls)

In this generation (Guys)

While we work unashamed we will shine forth His glory (Together)

Seek the lost (Girls)

'Till true sons and daughters (Guys)

Unite Eternally (Together)

In this Movement of Destiny

3<sup>rd</sup> Verse:

Father, hear our cry

Raise this army, Raise up Your Bride

Chorus:

Repair the breach (Girls)

Raise the foundation (Guys)

Rebuild the streets (Girls)

In this generation (Guys)

Until Christ will return we will shine forth His glory (Together)

Seek the lost (Girls)

'Till true sons and daughters (Guys)

Unite Eternally (Together)
