

Eyewitness was founded at the start of 2009 by Rudi van Schalkwyk and Andriëtte Mielmann, because we wanted to serve God with the gifts that He had given us.

We invited a small group of young people who shared in our common goal to participate in our first project and in 2009 released our first album, "Alteration", with 13 original tracks.

In 2012 we released our EP, "Face the Light", with two original tracks. This album marked a first for Eyewitness, as we composed and arranged music for a live string section which you can hear on the EP.

In 2020 we released a cover of the song "Pray for Me", our first track recorded in isolation as we are in lockdown from the novel corona virus.

Acts 4:20 reads "For we cannot but speak the things which we have seen and heard." Our vision and mission for this ministry is just that. We don't want to sell Christianity to you. We don't want to dress it up or cover it up. We only invite you to share in our experiences. All of it. The great, and the not so great. The ups, downs, the questions and celebrations. We hope that this is what you find in our music, because most of all, we want to testify of what we ourselves have come to know to be true. "We proclaim to you what we have seen and heard, so that you also may have fellowship with us. And our fellowship is with the Father and with his Son, Jesus Christ" (John 1:3).

Many people have formed part of our team through the years and we are grateful for each unique and valuable contribution. The current band members are:

Andriëtte Mielmann / Vocals
Rudi van Schalkwyk / Vocals, piano
Landi Fourie / Vocals
