VERSE 1

F#

Of all the things you could have used

| **D#m B** | **F#**

You chose to use the dust

F#

And as I blinked for the first time

| **D#m B** | **C#**

You watched with hopeful trust

| **B** | **D#m**

That I would someday see

| **C#** | **D#m**

The method in the madness

| **B** | **D#m**

That I would choose to follow you

| **B** | **C#**

Despite the pain and sadness

CHORUS 1

B F# | C#

And even then I'll admit

| **B F# | C#**

The theology sounds a little crazy – to me

| **B F# | C#**

I mean who'd e----ver expect

| **B C# | D#m**

The King of Heaven, to come as a Baby?

INSTRUMENTAL

| **D7 A/E | F#m | D7 A/E | F# |**

VERSE 2

F#

Of all the things you could have said

| **D#m B | F#**

You chose to say it like this

| **D#m**

You touched our hearts and you blew our minds

| D7 A/E | F#m | D7 A/E | F# |

VERSE 3

| B D#m

I don't always see

| C# D#m

the method in the madness

| B D#m

But I know that You're the Answer

| B | C#

to all the pain and sadness

| G# | D# | C# G# | D#

And yes the theo ----- logy still sounds a little bizarre

| C# G# | D#

But I can see Your endless love

| C# D# | F

Engraved in every scar

| F

So I'll follow You and forget what

| Dm Bb | F

The world has to say

| Eb Bb

Their opinion never mattered... anyway
