VERSE 1

Eb | Bb | F
My fingers find their way along these chords

Eb | Bb | F
And maybe all you'll hear is sounds

Eb | Bb | F
But even if I did not know how to sing a song

Cm | Gm
I pray you'll listen close

| Eb | F
'Cause this is from my heart.

VERSE 2

Eb | Bb | F
I've never heard the angels sing a song

Eb | Bb | F
Or heard heaven's worship hour

Eb | **Bb** | **F**

So who am I to think that this will leave them astound

Cm | **Gm**

For even Jesus said

| **Eb** | **F**

That the rocks could sing as well.

CHORUS 1

C

But when I lift my heart to Jesus

Gm

And all the angels hush their songs

Eb

And listen to the prayer

Bb | **F**

Coming from His child

C | | **Gm**

I don't wanna be a part of a crowd

Eb

That praise You with their lips

Bb | **F** | **Dm**

But not with their lives

Eb | **F**

I wanna give you more

My heart

Eb | F | Eb | F |

Eb | F | Eb | F | Gm

VERSE 3

Eb | Bb | F

It's so easy just to make a noise

E | Bb | F | Gm

Or to think that you're just listening to my voice

Eb | Bb | F

But in the end it's not just what I say

Cm | Gm

It's whether I am yours

| Eb | F

When the covers fall away

CHORUS 1

C

It's when I lift my heart to Jesus

Gm

That all the angels hush their songs

Eb

And listen to the prayer

Bb | **F**

Coming from His child

I don't wanna be a part of a crowd

That praise You with their lips

Bb | **F** | **Dm**

But not with their lives

I wanna give you more

My only desire is to bring you a true offering

Gm | **Ab⁷** | **Eb** | **Bb** | **F**

I would humbly wait until you pass me by

Db

But not in the thunder or the flames

Eb | **F**

But in the silence You remain

CHORUS 2

| **C**

And when You finally nod Your head

| **Gm**

And all the Angels sing their songs

And You will come to take us

Take us home where we belong

I would wanna see the glory of the King
